4. Meeting Minutes

Meeting Minutes from July 1, 2016 for Approval

- 10:30: meeting attendance and called to order
- Attendance: Sheila Reiner, Maren Rubino, Pam Nielsen, Jackie Campbell, Noelle Peterson, Dave Lindsay, Mark Williams, Chris Hochmuth, Tammy Aschenbrenner
- Reviewed questions brought up by Sheila. Maren says if we want to recommend language as preservation of records we could add it to the nice to have. It is already in the priority 1 document.
- We will add verbiage to adjust 42-4-2103(4) to make it consistent with (3)(c)(i)
- Discuss 42-3-126. LEA wanted to access color when searching specific vehicles. It was decided that it is LEA's fight if they want this changed. MVSRC may review this as well.
- There is no must have statute change in regard to the locator. It'll be more on the election side. But counties could request changes if they desire to use the score locator for motor vehicle. This also pertains to the cross county transactions. Recommend giving this to the Future Enhancements Working Group to review. 42-6-139 was discussed. If counties continue to maintain locators as today, that will not be a problem for FAST, and if going to cross-county transactions that will not be a problem. (Confirmed with Mike Pfeifer)
- Reviewed Action Items
- Reviewed Comments
- Reviewed Summary Recommendations Maren wrote up. Sheila has reviewed. Pam will try to do so today.
- Jackie & Sheila have reviewed the 3 documents and Maren will put together recommendations to take to the Governance Committee today to review before their meeting Wednesday. Maren will also put together report for the Governance Committee Meeting as well.
- No New Business
- Unless Governance Committee gives some feedback requiring action, we'll meet again on regularly scheduled time on 7/26. Sheila will be absent on that meeting.
- No questions of DRIVES at this point. Mark gave Maren his cell in case a question came up this month while Eric is out of the office.

MEETING PLAN

- Does the System Letters and Forms WG have any statute change requests? There haven't been any to date, but Maren will include in the report that the other working groups are still working and may come upon CRS recommendations.
- Meeting closed at 11:06 am
